Your new website: quick brief

Fill in what you can. Short answers are fine. Send this back with one or two photos and we will draft your page. Easier on a phone? Just answer the same questions in a WhatsApp message instead.

1 About you

Your name

Business name

Your trade (for example plumber or electrician)

Phone or WhatsApp number

Email

Towns and areas you cover

2 Your business in a few lines

Who you are, how long you have been working and what customers say you are good at.

3 What would you like the page to do?

- [ ] More phone calls
- [ ] More WhatsApp enquiries
- [ ] Look more professional
- [ ] Show examples of my work

The jobs you want more of, and anything you do not want to do

Photos and final details

4 One or two photos

A clear photo of you, your van or a finished job works best. Take it in daylight with the phone held sideways. Attach the photos when you send this form back, and say in the boxes below what each one shows.

Photo 1

Attach it with this form
and name it photo1

Photo 2

Attach it with this form
and name it photo2

What does photo 1 show?

What does photo 2 show?

☐ I also have a logo and will attach it

5 Anything else we should know

Opening hours, emergency call outs, registrations or insurance you can show, things to leave out.

6 Your permission

☐ You can use my details and photos on my website. I took the photos or I am allowed to use them.
